ABOUT ME

Passionate and results-driven Computer Science graduate specializing in Networking and Cloud Computing, with hands-on experience in Shopify and WordPress development. Skilled in optimizing website performance, managing SEO strategies, and leading digital content teams for multiple e-commerce stores. Strong background in web design, site speed improvement, and compliance management across online platforms. Dedicated to continuous learning and eager to pursue advanced studies in Cloud Computing and digital infrastructure to bridge technology and business performance.

WORK EXPERIENCE

🏢 *Suleiman Sadiqqi* – Remote(New York) , United States

City: Remote(New York) | **Country:** United States

Shopify & WordPress Developer

[01/01/2024 – Current]

- Optimized Shopify store performance by improving page loading speed and overall site efficiency.
- Redesigned storefront layouts and user interfaces to enhance customer experience and conversion rates.
- Diagnosed and resolved store functionality issues, including theme and app conflicts.
- Configured and maintained Google Merchant Center (GMC) settings to ensure compliance and successful store approval.
- Conducted regular audits to identify and prevent potential suspension risks across Shopify and GMC platforms.
- Developed and customized WordPress websites, focusing on responsive design, plugin configuration, and content management optimization.

🏢 *Naeem Azizian* – Remote(California), United States

City: Remote(California) | **Country:** United States

SEO Optimizer and Content Manager

[08/04/2025 – Current]

- Planned and implemented SEO strategies to increase organic traffic and improve search engine rankings for three e-commerce websites.
- Conducted keyword research, competitor analysis, and on-page/off-page optimization to strengthen online visibility.
- Managed and optimized website content, product listings, and blog posts to align with brand goals and SEO standards.
- Led a digital marketing team responsible for content creation, backlink building, and campaign coordination.
- Oversaw social media management across multiple platforms (Facebook, Instagram, and TikTok), including post scheduling, engagement tracking, and ad coordination.
- Analyzed website and social media performance using Google Analytics and Meta Insights to guide strategy improvements.
- Collaborated with developers and designers to enhance website performance, page speed, and user experience.
- Ensured full compliance with Google, Shopify, and advertising policies across all stores.
